Dear Sir/ Madam,

We are pleased to inform you that Confederation of Indian Industry (CII) in association with Antrix Corporation & Indian Space Research Organisation (ISRO) is organizing the 5th 'Bengaluru Space Expo 2016' on Space, Satellites, Launch Vehicles and related technologies at Bangalore International Exhibition centre (BIEC), Karnataka, India from 1-3 September, 2016.

2. The Bengaluru Space Expo 2016(BSX-2016) would provide you the opportunity for networking with global operators and suppliers in space industry. The three-day event will comprise of conference addressing contemporary topics, avenues for meetings among interested parties and an occasion to get first-hand feel of opportunities that exist in India for space related specific themes; addressing industry participation in space systems production, related infrastructure creation and applications delivery-with speakers from ISRO as well as industries. The other events will include a technology transfer workshop, CEO Forum, Students Forum and MSME Forum.

3. The Bengaluru Space Expo 2016, a concurrent international conference 'World Space-Biz', would also be highlighting the achievements of Industry and discuss the future requirements of the industry.

4. I am enclosing with this letter, a brochure on this event. More information can be accessed at the event website www.bsxindia.com. Kindly circulate this to interested members/companies of your Chamber/Association.

With Regards,

(Mijito Vinto)
