ABOUT

INTERNATIONAL BUILDTECH EXPO 2015

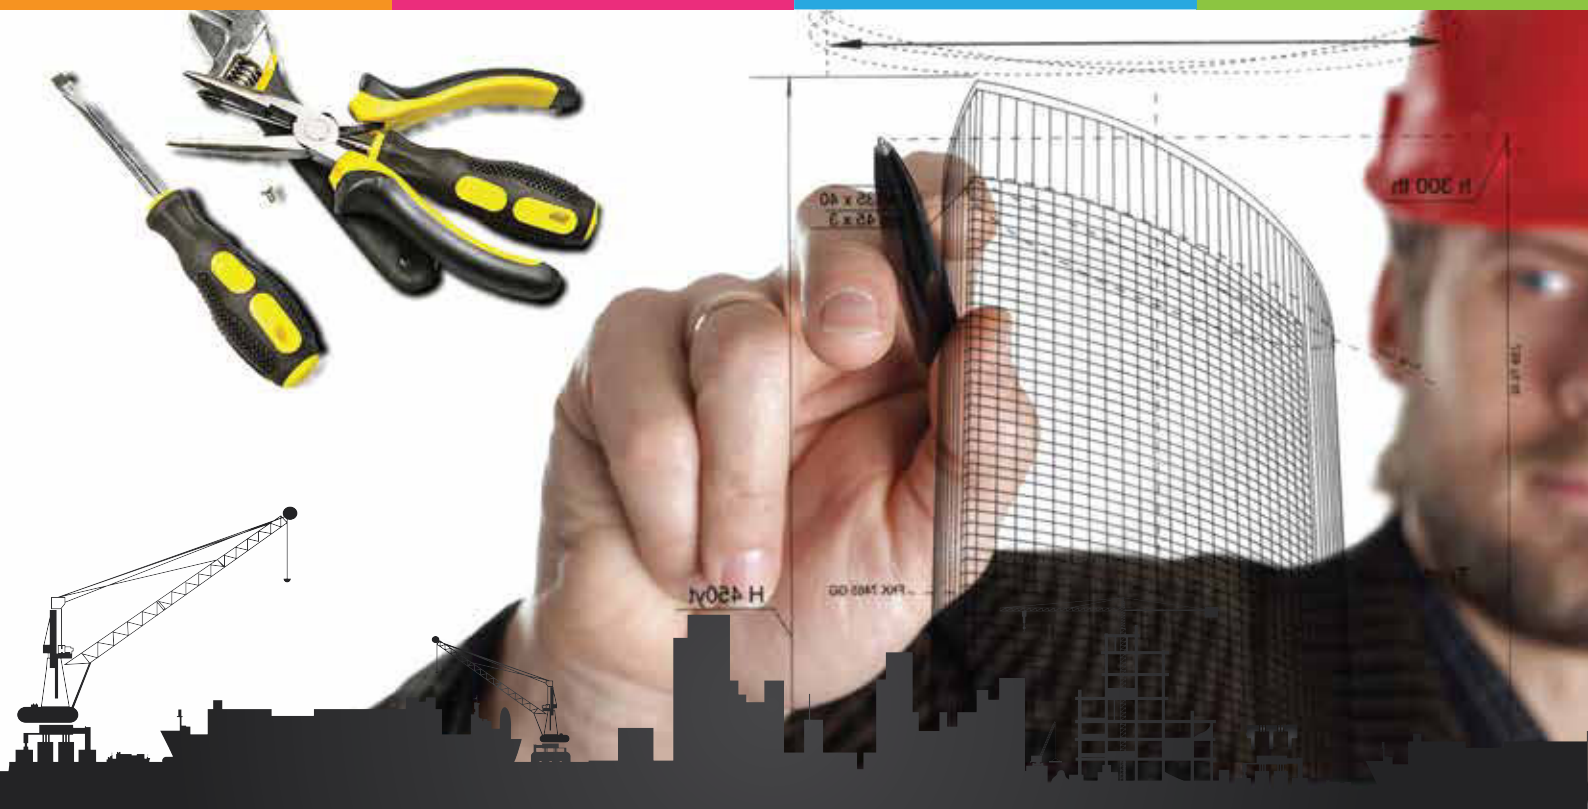

International BuildTech Expo 2015 is a comprehensive and exclusive trade fair for global Building & Construction Industry Manufacturers and Suppliers which is taking place at Chennai Trade Centre, Tamil Nadu, India during 2nd – 4th July 2015 organized by United Malaya 360 Media with full support from the Builders Association of India.

This unique platform will gather all industry leaders and key players to one place showcasing the latest construction technology as well as development in the building and construction sectors. **International BuildTech Expo** also provides the full range of building materials, construction solutions with advanced techniques & technologies from many countries. The exhibition also includes the specialized sessions of business matching and networking between exhibitors and potential buyers.

Builders Association of India (BAI) is the **Principal Supporter** of **International BuildTech Expo 2015**, which is the premier association in the construction industry have been 70 year old in existence for ever. BAI has direct access to 13,000 members who are builders & contractors and indirect membership of around 50,000 through various regional affiliated associations. It is an authentic powerhouse having 130 centers across India.

In conjunction with the **INTERNATIONAL BUILDTECH EXPO 2015**, a **PROPERTY SHOW CASE** will also take place at the **Chennai Trade Centre**, India from the **2nd till 4th July 2015**. The **IBTE - "Property Showcase 2015"** offers a perfect platform for both international and local real estate developers to showcase their residential, commercial and multi-purpose properties. At the show, visitors/participants are able to conduct serious transactions and business dealings providing consumers and real estate professionals around the world with a one-stop opportunity to INVEST, GRAB and GROW from the best property deals across the globe ever.
