Selection of EPC Contractor for Exhibition & Convention Center at New Delhi

Dear Sir/Madam,

We are pleased to inform that the Government of India is developing an **Exhibition cum Convention Centre (ECC)** at Dwarka, New Delhi as a flagship project under the Delhi Mumbai Industrial Corridor (DMIC) as a world class MICE facility.

2. Located at Sector 25, Dwarka in the western part of Delhi, the ECC site is approximately 3 km from IGI Airport and well connected to metro rail and road links. The site is spread across 89.72 Ha.

3. An RFP for selection of the EPC contractor for Phase-1 of the project shall be floated shortly (July 2017). The Phase-I development will include the following construction activities:

- 80,000 Sq. m. of Exhibition Centre
- 20,000 Sq. m. of Foyer
- 60,000 Sq. m. of Convention Centre

4. It will also include development of complete infrastructure including major trunk services, connectivity and disposal to rising mains, internal road network system, associated underground car parking facility and connectivity to major carriage ways. The project will be implemented under the Design-Build (EPC) route and awarded through a transparent international Competitive Bidding Process.
